

AI-ASSISTED DEVELOPER

Loganadan Arunda Ishara

I like building things that work, and understanding why they do.

PROFILE

Responsible and hardworking, and happy to learn by doing. I ask when I'm unsure and don't leave a problem half solved.

PROJECTS

iLike

`ilike.ilike-team789.workers.dev`

A social app for finding people who share your interests. Profiles, interest circles, photo posts, real-time chat and notifications, on phone and desktop.
